

Health4Me

Your family's health care resources, in your hands.

UnitedHealthcare Health4Me™ provides instant access to your family's critical health information – anytime and anywhere. Whether you want to find a physician near you, check the status of a claim or speak directly with a health care professional, Health4Me is your go-to resource.

It's responsive.

The Easy Connect service lets us know of anything you may need help with. A representative will get back to you with information about claims, benefits and more without having to wait on hold.

It goes where you go.

Use the location search feature to find a physician or facility near you. Whether you need a specialist or general practice, the largest selection of network doctors is at your command.

It simplifies.

myHealthcare Cost Estimator makes your health options easier by comparing procedure, provider, price and place.

It's personal.

From emailing your health plan ID card information to checking on medical spending accounts, Health4Me is the resource that is designed to work for you. And you can rest assured that your information is absolutely confidential.

All UnitedHealthcare members can access a cost estimator online tool at myuhc.com. Depending on your specific benefit plan and the ZIP code that is entered, either the myHealthcare Cost Estimator or the Treatment Cost Estimator will be available. A mobile version of myHealthcare Cost Estimator is available in the Health4Me mobile app, and additional ZIP codes and procedures will be added soon. This tool is not intended to be a guarantee of your costs or benefits. Your actual costs and/or benefits may vary. When accessing the tool, please refer to the Terms and Conditions of Use and Why Your Costs May Vary sections for further information regarding cost estimates. Refer to your health plan coverage document for information regarding your specific benefits.
